E-Banking The Legal Challenges: Legislation

Transport system in India consists of transport by land, water, and air. Public transport remains the primary mode of transport for most Indian citizens, and India's public transport systems are among the most heavily used in the world.

Transport in India - Wikipedia

FOB, "Free On Board", is a term in international commercial law specifying at what point respective obligations, costs, and risk involved in the delivery of goods shift from the seller to the buyer under the Incoterms standard published by the International Chamber of Commerce. FOB is only used in non-containerized sea freight or inland waterway transport.
