The Paper Clips Project, by middle school students from the small southeastern Tennessee town of Whitwell, created a monument for the Holocaust victims of Nazi Germany. It started in 1998 as a simple 8th-grade project to study other cultures, and then evolved into one gaining worldwide attention. At last count, over 30 million paper clips had been received.

A manuscript (abbreviated MS for singular and MSS for plural) was, traditionally, any document that is written by hand -- or, once practical typewriters became available, typewritten-- as opposed to being mechanically printed or reproduced in some indirect or automated way. More recently, the term has come to be understood to further include any written, typed, or word-processed copy of an ...

We show, via a massive (N = 689,003) experiment on Facebook, that emotional states can be transferred to others via emotional contagion, leading people to experience the same emotions without their awareness. We provide experimental evidence that emotional contagion occurs without direct interaction between people (exposure to a friend expressing an emotion is sufficient), and in the complete ...
