

arduino for ham radio pdf

He could buy a DG-5 but that would cost more than he paid for the whole rig and it really is not necessary to use the radio, just more convenient.

Arduino Frequency Display for Kenwood TS-520S HF ham radio

You've arrived at the support page for ARRL's Arduino for Ham Radio by Glen Popiel, KW5GP. Here you will find PDF files for the sketches and libraries that you can print out and study, as well as the sketch and library files themselves for use with the Arduino projects in this book.

Arduino - American Radio Relay League

(This is part 3 in a small series on using DCF77 for accurate time keeping with an Arduino. You can find post #1 here and post #2 here). Before we start to look at the library, let me start by saying that this is by no means the first Arduino DCF77 decoder.

Arduino DCF77 radio clock receiver " Library | Thijs

This is an library that handles radio information over RTTY in arduino, written in C++. You can choose either ascii 7 bit or ascii 8 bit. You need two pins that you define with `RTTY.attach(1,2)`; and you send your information just by stating `RTTY.tx("Hello world!");`

[Radio] RTTY Library for Arduino " Tim Zaman

Software programming. CHIRP free radio programming software CHIRP is constantly being updated and improved to work on more and more radio models, but often has major or minor issues when attempting to program Baofeng HTs, depending on the radio firmware version, and the Baofeng's firmware cannot be updated; however, the majority of problems I've seen have been user errors

CQ ham radio

The main reason why I bought my first Arduino board was to be able to play with LED strips with applications like BobLight and LightPack that offer colored backlighting to your TV comparable to what Philips offers with its beautiful AmbiLight TVs. I like really Philips, and I like Ambilight, so why not buy a Philips AmbiLight TV? Well, pretty simple! First of all Philips does not ...

The American Radio Relay League (ARRL) is the national association for amateur radio, connecting hams around the U.S. with news, information and resources.

ARRL EXPO - American Radio Relay League

RadioShack, formerly RadioShack Corporation, is the trade name of an American retailer founded in 1921. Since 2017, General Wireless Operations, Inc. has leased the name from Kensington Capital Holdings and operates primarily as an e-commerce website, a network of approximately 425 independently owned authorized dealer stores, and as a supplier of parts for HobbyTown.

RadioShack - Wikipedia

0V2 by PE1JPD This project started because I always wanted to do something with the octal tubes I had lying around. As a kid I already played with ECCs, ECLs etc, but never with these type of tubes.

If you listen to the radio bands in the United States, you might wonder if anyone at the FCC is paying attention, or if they are too busy selling spectrum and regulating the Internet. Apparently ...

FCC Fines Drone FPV Maker for Using Radio Spectrum - Hackaday

Many thanks to my buddy, Robert Gulley (AK3Q), who shares the following announcement from his blog All Things Radio: I have posted two new articles in the Reviews and How-Tos section. These were both previously published in The Spectrum Monitor magazine earlier this year. The first article deals with buying used and new equipment, while the other article is a review of the uBITX QRP transceiver.
