

### **economic nationalism and globalization pdf**

Economic nationalism, or economic patriotism, refers to an ideology that favors state interventionism in the economy, with policies that domestic control of the economy, labor, and capital formation, even if this requires the imposition of tariffs and other restrictions on the movement of labor, goods and capital. In many cases, economic nationalists oppose globalization or at least question ...

The outbreak of the French Revolution in 1789 resulted from a longer-term transformation of political culture. Central to this was the emergence of a self-conscious public opinion that viewed itself as national and sovereign. The failure of the French monarchy to adapt to this development culminated in its removal. The French nation was now sovereign, and hence able to set aside all existing ...
