An idiom is a common word or phrase with a culturally understood meaning that differs from what its composite words' denotations would suggest. For example, an English speaker would understand the phrase "kick the bucket" to mean "to die" and also to actually kick a bucket. Furthermore, they would understand when each meaning is being used in context.

A proverb (from Latin: proverbium) is a simple, concrete, traditional saying that expresses a truth based on common sense or experience. Proverbs are often metaphorical and use formulaic language. Collectively, they form a genre of folklore. Some proverbs exist in more than one language because people borrow them from languages and cultures similar to theirs.

The little daisy was as happy as if the day had been a great holiday, but it was only Monday. All the children were at school, and while they were sitting on the forms and learning their lessons, it sat on its thin green stalk and learnt from the sun and from its surroundings how kind God is, and it rejoiced that the song of the little lark expressed so sweetly and distinctly its own feelings.
