

globalisation challenge for european pdf

Globalization or globalisation is the process of interaction and integration among people, companies, and governments worldwide. As a complex and multifaceted phenomenon, globalization is considered by some as a form of capitalist expansion which entails the integration of local and national economies into a global, unregulated market economy. ...

International Migration: The human face of globalisation

Organisations from any industrial sector or the research and innovation community are invited to organise an 'Open Doors' event as part of EU Industry Week between January and March 2019.

Internal Market, Industry, Entrepreneurship and SMEs

Advocates of alter-globalization have set up an online global news network, the Independent Media Center, to report on developments pertinent to the movement. Groups in favor of alter-globalization include ATTAC, an international trade reform network headquartered in France.. The largest forum for alter-globalization activity is the annual World Social Forum.

Alter-globalization - Wikipedia

Introduction. TONY DOLPHIN IPPR. The industrial structure of European economies and the types of occupation that they support are changing. This change takes many forms in different national contexts, but there are some common themes.
