

### **great american womens fiction pdf**

History Origins of the term "Chick" is American slang for a young woman, and "lit" is a shortened form of the word "literature". Chick lit scholars note that the term was first used ironically in 1995 by Cris Mazza and Jeffrey DeShell as the title for their edited anthology Chick Lit: Postfeminist Fiction, which contains 22 short fiction pieces in response to Mazza and DeShell's call for ...

Women's history is the study of the role that women have played in history and the methods required to do so. It includes the study of the history of the growth of woman's rights throughout recorded history, personal achievement over a period of time, the examination of individual and groups of women of historical significance, and the effect that historical events have had on women.
