Background. The album was the first released on the group's newly formed Threshold record label, which was named after the band's previous album from the same year, *On the Threshold of a Dream*. It was inspired by the 1969 moon landing.. Release. While the extracted single, "Watching and Waiting," did not do well in that market, *To Our Children's Children's Children* was critically well-received ...

During the European Renaissance, artistic depictions of children increased dramatically, which did not impact the social attitude to children much, however. [citation needed] During the 1600s, the concept of childhood began to emerge in Europe. Adults saw children as separate beings, innocent and in need of protection and training by the adults around them.
