### **NATO, NUCLEAR WEAPONS AND ARMS CONTROL**

Nevertheless, it remains in the vital interests of the United States, Europe, and Russia to contain nuclear tensions and prevent a new nuclear arms race. The Deep Cuts Commission, along with other security leaders, urges that the United States, NATO, and Russia take the following steps as soon as possible: Immediate Extension of New START Treaty.

### **Urgent Steps to Avoid a New Nuclear Arms Race and**

The United States stopped nuclear cooperation with Britain at the end of World War II, much to the annoyance of the British government. There was widespread agreement in the country that Britain should have a bomb of its own, and this was reinforced by two specific anxieties.

### **NUCLEAR WEAPONS AND THE ESCALATION OF THE COLD WAR, 1945**

More advanced nuclear technology is needed to design a fusion weapon. An operational nuclear weapon must have a means of delivery such as a missile or an airplane. Today, most nuclear weapons are strategic weapons, designed to be delivered over large distances, but weapons designed for tactical use on the battlefield also exist.
