The Greatest Journey is a free service dedicated to helping people die consciously. ... We are now offering Dying Consciously Teacher's Training for Healing the Light Body School graduates who wish to teach the Dying Consciously process in their communities.

### **Dying Consciously**

Dying Consciously. ☺ If there is pain at the time of death, try to remain as conscious as possible. Medication for pain offers some solace but dulls your awareness. ☹ To be peaceful at the time of your death, seek peace inside today. Death is another moment. If you're not peaceful today, you probably won't be peaceful tomorrow. Sudden death is,...

Steps of the Death Rites. Most of these maps have been drawn on brief visits during near-death experiences. The shamans of Tibet and the Americas, however, have mapped the landscape beyond death in great detail. The easy steps described in this next section are the shamanic rituals which allow us to die consciously.

You may think that it's your conscious mind that determines what your life will be like. You're told your entire life that if you work hard and apply yourself, you can accomplish anything. If that were true, then everyone would be successful with a nice home, great career, great family and friends, and enough money so that life is not a struggle.

### **HOW TO TALK TO YOUR SUBCONSCIOUS MIND - Ning**

Helping individuals learn to live consciously through life's passages with the knowledge that death is

inevitable.

### **Living and Dying Consciously Project**

"psychological data" about what it is like to be conscious or to have consciousness to serve as the basis for an agreed definition. This uncertainty about how to define consciousness is partly brought about by the way global theories about consciousness (or even about the nature of the universe) have intruded into definitions.
