## how to open operate pdf

The issue of opening pdf files with Adobe Reader DC in Win 10 x64 is not solved. I have tried the : disabled checkbox Enable Protected Mode at startup and it does not work. These pdf files will open using Adobe Reader on my XP pro system and Win7 system using the supported/latest readers on those systems.

An open standard is a standard that is publicly available and has various rights to use associated with it, and may also have various properties of how it was designed (e.g. open process). There is no single definition and interpretations vary with usage. The terms open and standard have a wide range of meanings associated with their usage. There are a number of definitions of open standards ...
