In the English language, there are grammatical constructions that many native speakers use unquestioningly yet certain writers call incorrect. Differences of usage or opinion may stem from differences between formal and informal speech and other matters of register, differences among dialects (whether regional, class-based, or other), and so forth. . Disputes may arise when style guides ...

A-level English Language (7702)

English is a West Germanic language that was first spoken in early medieval England and eventually became a global lingua franca . Named after the Angles , one of the Germanic tribes that migrated to the area of Great Britain that would later take their name, England , both names ultimately deriving from the Anglia peninsula in the Baltic Sea . It is closely related to Frisian and Low Saxon ...
