Is there A place where I can download PDF Light novels in

I think you missed a lot of the points in the novel or maybe the translations aren't done very well here (I haven't read the translation for the second volume here yet) but there are clear questions to your answers that are explicitly outline in the book (maybe I'm just ahead since I read the raws already)

Skythewood translations: Overlord

A website Iâ€™d like to give credit to would be Baka-tsuki, as they have so many good light novels being translated currently, and quite a few light novels in PDF form in general have had the text from a Baka-tsuki project, some truly brilliant translators on there.
