There are many collegiate secret societies in North America. They vary greatly in their levels of secrecy and independence from their universities. As the term is used in this article, a secret society is a collegiate society where significant effort is made to keep affairs, membership rolls, signs of recognition, initiation, or other aspects secret from the public.

William Lane Craig is a prolific Christian philosopher, apologist, author, and public debater. He is the best debater “ on any topic “ that I’ve ever heard. As far as I can tell, he has won nearly all his debates with atheists. When debating him, atheists have consistently failed to put forward solid arguments, and consistently failed to point out the flaws in Craig’s arguments.
