Agnosticism is the view that the existence of God, of the divine or the supernatural is unknown or unknowable.. The English biologist Thomas Henry Huxley coined the word agnostic in 1869, and said "It simply means that a man shall not say he knows or believes that which he has no scientific grounds for professing to know or believe." Earlier thinkers, however, had written works that promoted ...

The afterlife, or life after death, is a generic term referring to the continuation of existence after death, typically spiritual, experiential, or ghost-like, beyond this world. Afterlife is the existence that one has after physical death. In the Christian religion, all humans were made with souls that live on after the body has expired.
