

repertoire of the practice pdf

Overview. The recorder can justly lay claim to an enormous repertoire extending from the eleventh century to the present day. Its use for medieval song accompaniments, dance tunes and instrumental part-music is well established.

After a two-year trial, AMEB is rolling out a brand-new style of examination, to be offered alongside the traditional comprehensive AMEB examinations which will be familiar to most students and teachers.

AMEB | Repertoire Exams

Prescreening recordings are required from all applicants. We strongly prefer that all applicants submit prescreening recordings online, as part of the online application, instead of by mail.

A community of practice (CoP) is a group of people who share a craft or a profession. The concept was first proposed by cognitive anthropologist Jean Lave and educational theorist Etienne Wenger in their 1991 book *Situated Learning* (Lave & Wenger 1991). Wenger then significantly expanded on the concept in his 1998 book *Communities of Practice* (Wenger 1998).

Given the wide range of styles in European classical music, from Medieval plainchant sung by monks to Classical and Romantic symphonies for orchestra from the 1700s and 1800s to avant-garde atonal compositions for solo piano from the 1900s, it is difficult to list characteristics that can be attributed to all works of that type. However, there are characteristics that classical music contains ...
