D. Ashton & M. Maguire: Restructuring the Labour Market

Increasing market competition and tighter budgetary constraints have made it difficult for SOEs to survive. The objective of SOE restructuring therefore was to change the behaviour of firms. The key to evaluating the effect of SOE restructuring lies in examining counterfactualsâ€”that is, the effects on labour market outcomes

restructuring has reshaped the regional labour market since 1996, changing opportunities for both menâ€™s and womenâ€™s employment. Despite these changes, the regional labour market continues to be underpinned by a â€˜male breadwinnerâ€™ gender regime and significant occupational and industrial gender segregation.

Restructuring womenâ€™s work; labour market and household

This issue can be illustrated with an assessment of the South African labour market that was undertaken in the mid-1990s. The aim of the study was to identify labour market problems in South ...

Restructuring the Labour Market: The South African

our labor market identities and their impact on public forum debate; the second Part examines our labor market gender identities and their impact on public forum debate regarding gender; and the third Part argues that only by radically restructuring the labor market can we create a democratic public forum.
