Star Wars: Shadows of the Empire is a multimedia project created by Lucasfilm in 1996. The original idea was to create a story set between the films The Empire Strikes Back and Return of the Jedi (a time no Star Wars novel had explored before), and to explore all commercial possibilities of a full motion picture release without actually making a film. The venture reinvigorated interest in the ...

Victorian photography has long been associated with empiricist science and realist aesthetics, but during the early years of its development it was also animated by Romantic ideals. As Reese Jenkins remarks, many of the "pioneers of photography. . . . were epistemological positivists and ontological Romantics" (20).
