

the big three major pdf

The Big Three television networks are the three major traditional commercial broadcast television networks in the United States: the American Broadcasting Company (ABC), CBS (formerly known as the Columbia Broadcasting System) and the National Broadcasting Company (NBC). Until the 80's, the Big Three networks dominated U.S. television.

Big Three television networks - Wikipedia

A major film studio is a production and distribution company that releases a substantial number of films annually and consistently commands a significant share of box office revenue in a given market. In the American and international markets, the major film studios, often simply known as the majors, are commonly regarded as the six diversified media conglomerates whose various film production ...
