Black is the darkest color, the result of the absence or complete absorption of visible light. It is an achromatic color, literally a color without hue, like white and gray. It is often used symbolically or figuratively to represent darkness, while white represents light. Black and white have often been used to describe opposites; particularly truth and ignorance, good and evil, the Dark Ages ...

The girls I approached were insanely receptive and genuinely wanted to talk to me. We say in these parts that girls have a lot of options thanks to internet dating while losing the ability to have a conversation if we approach them, but it seems that in New York the dating market is exceptional in some ways due to local demographic conditions and the fact that straight men act effeminate.
