Why won't my baby sleep through the night? There are all sorts of reasons why your baby may be waking through the night. She may need a feed, she may want your comfort and reassurance during the night, or she may benefit from a more consistent bedtime routine to help her settle. Teething can also upset your baby's routine and sleep patterns. If your baby is waking in the night, your own ...

An infant (from the Latin word infans, meaning "unable to speak" or "speechless") is the more formal or specialised synonym for "baby", the very young offspring of a human. The term may also be used to refer to juveniles of other organisms. A newborn is, in colloquial use, an infant who is only hours, days, or up to one month old. In medical contexts, newborn or neonate (from Latin, neonatus ...
