As well as the full, adrenaline pumping experience, the Discovery Revolution offers for a slightly less excessive ride can choose to try the "less extreme" programme which swings and rotates but doesn't include the full 360 degree element.

Discovery Revolution - zamperla.com

The industrial revolution that gave rise to modern capitalism greatly expanded the possibilities for the material development of human-kind. It continues to do so today, but at a severe price. Since the mid-eighteenth century, more of nature has been destroyed than in all prior history. While industrial systems have reached pinnacles of success, able

CHAPTER 1 The Next Industrial Revolution

The Mineral Revolution in South Africa started with the discovery of diamonds in Kimberley in 1867, and intensified with the discovery of deep-level gold on the Witwatersrand in 1886. By the time that gold was

discovered, African kingdoms had lost their independence.
