The Economic Consequences of the Peace is a book written and published by the British economist John Maynard Keynes. After the First World War, Keynes attended the Paris Peace Conference of 1919 as a delegate of the British Treasury. In his book, he argued for a much more generous peace, not out of a desire for justice or fairness – these are aspects of the peace that Keynes does not deal with – but for the sake of the economic well-being of all of Europe, including the Allied Powers ...
