February is American Heart Month. Heart disease is a leading cause of death for both men and women in Virginia. The most common type of heart disease is coronary artery disease (CAD).

Virginia Department of Health

Duties and functions. The paramedic role is closely related to other healthcare positions, especially the emergency medical technician role, with paramedics often being a higher grade role, with more responsibility and autonomy.. The role of a paramedic varies widely across the world, having originally developed as a paraprofession in the United States during the 1970s...
