Janice Tucker Rhoda's phenomenally successful series, The ABCs of Cello, owes much of its success to the wonderful original material and to the sensitive arrangements of classical, folk, fiddle and other popular melodies. After many years of teaching children and adults the author has developed a simple and enjoyable approach for studying the Cello.

This isn't a prelude to suddenly becoming active on FB but I felt I had to share this. Yesterday there was an AES session on mastering for high resolution (whatever that is) whose highlight was a talk about the state of

the loudness war, why we're still fighting it and what the final arrival of on-by-default loudness normalisation on streaming services means for mastering.
