the european union beyond pdf

The European Union (EU) is a political and economic union of 28 member states that are located primarily in Europe. It has an area of 4,475,757 km² (1,728,099 sq mi) and an estimated population of about 513 million. The EU has developed an internal single market through a standardised system of laws that apply in all member states in those matters, and only those matters, where members have ...

European Union - Wikipedia

European Union law is the system of laws operating within the member states of the European Union. The EU has political institutions and social and economic policies. According to its Court of Justice, the EU represents "a new legal order of international law". The EU's legal foundations are the Treaty on European Union and the Treaty on the Functioning of the European Union, unanimously agreed ...
