Mapping Your Future is a nonprofit organization committed to helping students, families, and schools navigate the higher education and student loan processes through trusted career, college, and financial aid counseling and resources.

### **Mapping Your Future**

Future studies or futurology is the science, art and practice of postulating possible, probable, and preferable futures and the worldviews and myths that underlie them. Futures studies seeks to understand what is likely to continue, what is likely to change, and what is novel. Part of the discipline thus seeks a systematic and pattern-based understanding of past and present, and to determine ...

For over 50 years, the World Future Society has been at the forefront of defining what it means to embrace a Futurist Mindset. Whether you're focused on social impact, creating a disruptive business, or exploring exponential technology, we believe there is a futurist in each of us.

### **World Future Society®**

While the future can never be predicted with absolute certainty, present understanding in various scientific fields allows for the prediction of some far-future events, if only in the broadest outline. These fields include astrophysics, which has revealed how planets and stars form, interact, and die; particle physics, which has revealed how matter behaves at the smallest scales; evolutionary ...
