

the japanese occupation of pdf

The Japanese Empire occupied the Dutch East Indies, now Indonesia, during World War II from March 1942 until after the end of the War in September 1945. The period was one of the most critical in Indonesian history. The Dutch East Indies had been a colony of the Netherlands (the Dutch) since 1819. However, the Netherlands itself had been occupied by Germany, and thus had little ability to ...

Japanese occupation of the Dutch East Indies - Wikipedia

The Japanese military authorities immediately began organizing a new government structure in the Philippines. Although the Japanese had promised independence for the islands after occupation, they initially organized a Council of State through which they directed civil affairs until October 1943, when they declared the Philippines an independent republic.
